

Become a Member of JLC New England!

Please stand with JLC New England as we mobilize voices in the Jewish community to advocate for *fair pay*, *a safe working environment*, and *basic job security*. Your voice gives JLC influence and your membership donation makes JLC's work possible.

Why Become a Member?

Because it's a vote for justice in the workplace. JLC stands up for the hard-working men and women in our community who struggle daily to make a decent living for themselves and their families, and we need you at our side in this fight. Help us be a strong Jewish voice in our community for fairness and equity.

Because your membership amplifies our voice. When we meet with our elected officials or speak with employers, the strength of our influence increases in direct proportion to our numbers. Becoming a member is an important way to help us bring about change, whether in the State House or in local boardrooms, whether or not you have time to become more actively involved.

Because JLC is an effective organization that uses its resources judiciously. JLC New England runs on a modest budget, and much of our vital work is carried out by dedicated volunteers. So your membership contribution goes a long way and will have a real impact.
